# COMPANY OVERVIEW

ASACO is a company specialized in the Renewable Energy Field & operates as an EPC & a Trade company, covering the Middle East , Africa & Europe.

## Since 1998

Year of Establishment

## 50+ MWp

Projects Executed & Under Construction

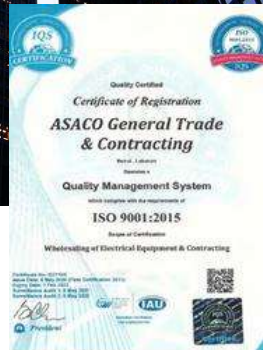

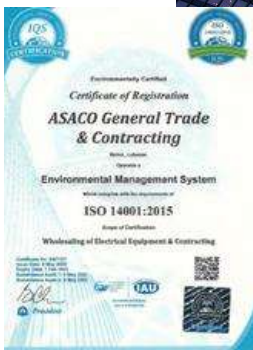

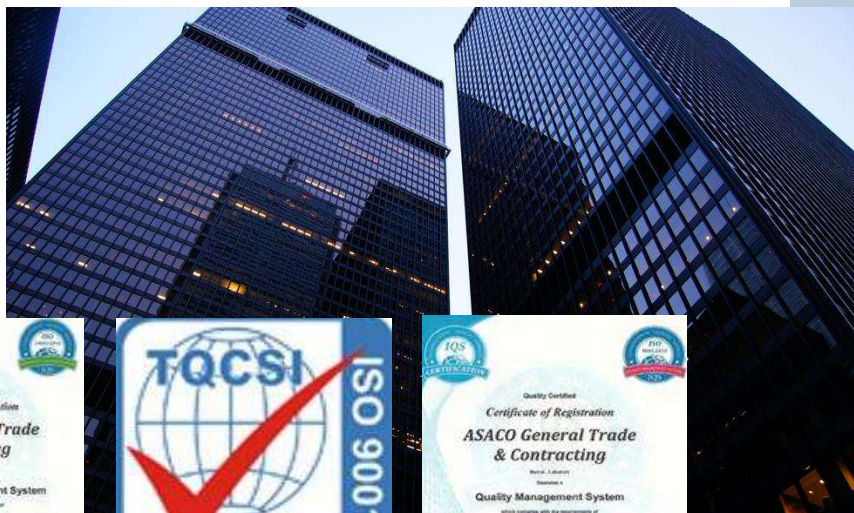

## Mission

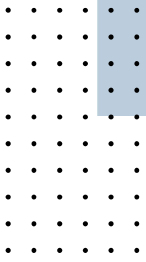

to contribute to a brighter and greener future for generations to come across Middle East , Africa & Europe.

## Vision

we strive to lead the charge in transforming challenges into opportunities and forging a greener, more prosperous tomorrow.

Company

# SERVICES

## **EPC**

**(Engineering, Procurement, and Construction)**

PPAs | Commercial & Industrial Solar Solutions | Residential Solar Solutions | Wind Energy Solutions | Hydro Energy Solutions | Power Conversions Systems & Containerized Storage Solutions | Solar Pumping & Irrigation Solutions

## **TRADE & PRODUCT SUPPLY**

PV panels | Batteries, Battery Banks & Energy Storage Products | Inverters & Power Source | VFDs | Surge Arrestors | Solar Structure & Accessories | PV Cables | Indoor & Outdoor Solar & LED Lighting

# PRODUCTS

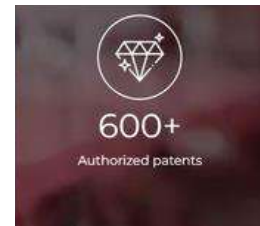

## PV MODULES

Suntech is classified as a Tier 1 solar panel manufacturer, founded in 2001 and has been in the solar industry for over two decades.

Suntech portfolio includes a variety of photovoltaic modules, ranging from P-type to top-contact N-type, as well as bifacial modules.

# PRODUCTS

## INVERTERS & POWER SOURCE

Fronius is a global leader in innovation and technology since 1945. Manufactured in Austria-Europe with 37 subsidiaries on five continents.

Success history for more than 30 years as battery-based inverters and MPPT's experts. Studer : Leader in Off grid power management made in Switzerland.

Victron Energy has been in business since 1975 and operates out of the Netherlands. They manufacture a variety of products that revolve around battery-based energy systems.

Solinteg offer products of PV inverters,battery, smart terminal, monitoring device and EMS service, with reliable and outstanding performance.

Since 2008 ,Voltronic is the largest 100% ODM UPS manufacturer in the industry. With Certificates of ISO9001/ISO14001,Voltronic Power will continue to focus satisfying power market demands.

## VFD

WEG is a global company and is regarded as one of the world's leading manufacturers of energy efficient electric motors, automation, power transmission, renewable resource technologies.

## SINE FILTERS

Elektra Elektronik have been proposing transformer, reactor, and energy quality solutions . Today, Elektra's solutions are being used in industrial, railway, medical, automation, military, naval and such related systems in 5 continents.

# PRODUCTS

## STORAGE & PCS SOLUTIONS

Founded in 2009 , Pylontech has become a leading provider of energy storage system worldwide. Pylontech's batteries are now officially included in the America CEC (California Energy Commission) Battery List. Pylontech ranks No.1 Residential Energy Storage System Provider by S&P Global Commodity Insights.

KEHUA is committed to establish an Intelligent and Comprehensive Energy Management System, with the core technology of power electronics and cutting edge technologies of AI and IoT.

ISO 9001&14001 certified manufacturer , EverExceed has a strong partnership with many giant customers all around the world, including Vodafone, Siemens ,Total and many more.

Manufactured in Europe Delivered in more than 100 countries. The Sunlight Group is a world-leading technology company and provider of innovative energy storage solutions.

# PRODUCTS

## LIGHTING

Caprazze ITALY is an Electrical & Lighting Design house & product development company; the design house is based in Milan Italy, with the main production facilities based in Zhongshan China.

In 2018 Caprazze established a production facility in Zhongshan China, Photoelectric Technology Co., LTD which is an OEM/ODM LED lighting and light parts manufacturer. Producing various indoor; outdoor, solar commercial & industrial lights.

Currently Zhongshan Long Zhi Guang (CAPRAZZE) exports finished goods to more than 20 countries globally; in addition to being a strategic partner and the backbone for several newly established SKD & CKD factories in North Africa, Central Asia and Eastern Europe.

2019 Caprazze joined efforts with several of its own clients in EU countries such as Czech Republic & Poland to OEM its own brand "CAPRAZZE ITALY" to attain a made in EU Certificate of Origin.

**SOKOYO**<sup>®</sup>

Founded in 2008, the company is positioned to professionally develop and manufacture solar street lamps. It is one of the earliest companies in China to enter the solar street lamp industry. In 2022, in order to meet production needs, new production base of 45,000 square meters was built. In the same year, Shenzhen Office and Australia Office were established, and it was named "Jiangsu Provincial Enterprise Technology Center". In 2023, it will move to the new production base for production and office.

# PRODUCTS

## ACCESSORIES

### SURGE PROTECTION

Founded in 2006, Prosurge has become a globally competitive [surge protection device](#) (SPD) company and extended the SPD business in 6 continents and more than 60 countries. Prosurge is oem partner of several international brands.

Certificates

## CABLES

PNTech specializes in the production of high end quality pv cables and accessories in accordance with international standards : ITS, UL, TUV AND CE CERTIFIED. Exporting products to America ,Europe, Southern Asia ,MEA, and Australia.

## METAL STRUCTURE & ACCESSORIES

Mibet Energy Co., Ltd, a high-tech enterprise devotes itself to offering the most reliable and economical solar PV mounting system solutions.

## FUSES

Zhejiang FRSI Electric Technology Co.,Ltd. is a leading company in the electrical fuse and switch industry. The main focus is designing , manufacturing and selling electrical AC & DC fuse and fuse switch disconnecter, as well as fuse protection solutions.
